RE: Request for a waiver of late fees

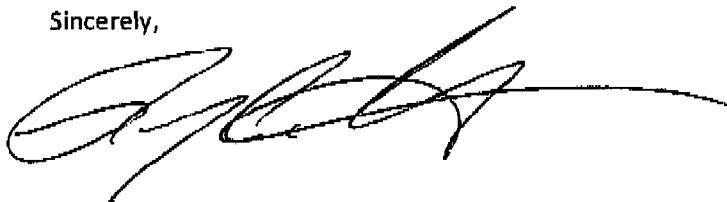

Dear Ethics Board Members:

This letter is to graciously ask the board to waive my late fees due to the following reasons

1. I was disqualified from my district race because of a lie and I was in court battles and I was allowed to run after the supreme court ruled in my favor.
2. My monies was spent on attorney's fees

I would appreciate very much if you would allow me to appeal the assessment directly to the Ethics Adjudicatory Board.

Sincerely,

Ray Charles Crawford
